Northwestern Mississippi First Game  
Scheduled—Five Night Games—  
Season Tickets \$3.00

The University of Tennessee Junior Vols, defending Mississippi Valley Conference champions, are gradually rounding in shape for their opening skirmish of the 1937 season next Friday night with Northwestern Mississippi on the local gridiron.

Forty candidates have been practicing for the past ten days on fundamentals and team offense. This year's club, while riddled by graduation, bids to be better than the average. The team is well supplied with punters, passers and adept receivers. The line will average around 170 pounds while the backs will tip the scales around 155 pounds.

The coaching staff will continue the Neyland system, which was introduced at the Junior College by Coach Derryberry three years ago.

The school authorities are glad to announce that the football schedule has been changed so that the games will be played on Friday night instead of Saturday afternoon. This was done to give the business men an opportunity to see the games.

There will be five home games this season and tickets will be on sale by the Young Business Men's Club. The tickets this year will cost \$3.00 as compared to \$2.00 and tax last season, which amounted to \$3.33. All games are 8:00 p.m.

The home games will be:  
September 24—Northwest Mississippi College.

October 15—St. Bernard College of Alabama.

October 22—Austin Peay Normal.

October 29—Sunflower Junior College.

November 5—Murray Frosh at Paris.

November 12—Western Kentucky Reserves.

**At Dresden This Week**

Students of the Junior College will be interested to know that Dresden will inaugurate the annual Sweet Potato Festival this week, to be climaxed by a dance in the high school gymnasium with Husk O'Hara furnishing the music.

The activities of the festival will begin Wednesday afternoon with a band concert at 1:30 o'clock, followed by a grand march, a soap box derby will be held at 4:00 o'clock. The annual festival horse show will be held Wednesday night.

Thursday's activities include a band concert, expert and fancy shooting by Herbert Parsons, and concerts in the afternoon and evening by the Jewel Cowboys. Mayor Overton of Memphis and Governor Browning have been invited to deliver addresses at 5:30 p.m.

The Grand Float Parade is scheduled for Friday afternoon with entries from sixteen different towns, followed by amateur contests on the school campus. A beauty revue for the selection of the queen will be held Friday night before the queen's ball. The queen will be crowned Miss Nancy Hall, queen of the first Tennessee Sweet Potato Festival.

Husk O'Hare, "The Gentle Giant of the Air", will furnish the music for the Queen's Ball. O'Hare's Orchestra will present the latest and best in swing music and a good floor show. Dance tickets are on sale to the Junior College students by H. Friel Mullins.

**SCRIBBLERS CLUB HAS**  
**EDUCATIONAL VALUES**

Scribblers Club will be one of the most active campus clubs this year and one which will be valuable to its members. The club will map its program to contain educational and entertaining events and the club will also be behind the two student publications, The Volette and the Junior Volunteer, the yearbook.

All members of The Volette staff automatically become members of the Scribblers Club and all other students interested in any phase of writing are urged to join the club. These not-staff members will be often called upon as student critics for The Volette, a necessary service.

The club, under the advisement of Mr. H. H. Kroll, will conduct during the next few weeks a study and discussion of college press journalism to make all members more familiar with their work. The social activities of the club usually include one or two dances, two trips to Reelfoot Lake, and two or three other social events.

Several out-of-town writers and newspapermen will address the club during the year. The club meets regularly once every two weeks.

Its purpose is to promote and encourage Christianity among the students on the campus throughout the school year. It was one of the most active clubs in the College last year and its leaders hope to make it the largest and most interesting one this term.

The officers this year are Joe Gower of Cottage Grove, president; Kathryn Paschall of Cottage Grove, vice-president; Dean Stubblefield of Viola, secretary-treasurer; Dwight Paschall was elected song leader.

Watch the bulletin board for an announcement of the first meeting.

### Greetings From The Church of Christ

Oxford and Olive Streets

We are grateful for space in The Volette to extend greetings to all the old and new students of The University of Tennessee Junior College. We are justly proud of the educational advantages of our town, which, of course, account for your being here. We know, too, that you considered the opportunities for spiritual growth as well as mental before choosing your college, and that you are interested in that phase even from the beginning.

We want you to know that we have an interest in this part of your development; and so, we greet you and urge you to be present with us next Lord's day in the Bible study at 10:00 a.m., as well as to worship with us at the eleven o'clock hour.

Brother Frank Pack, graduate of David Lipscomb College of Nashville, Tennessee, and of the University of Chattanooga, Chattanooga, Tennessee, will begin a fourteen-day series of revival meetings next Sunday, Sept. 19. Mr. Pack is a scholarly young gospel preacher, and you will enjoy his messages. He will speak twice daily—on Lord's days at 11:00 a.m. and 7:30 p.m.; and on week days at 3:00 p.m. and 7:30 p.m. We want you to attend all services possible, to join with us in good congregational singing, and to hear these plain gospel messages.

We welcome all of you to Martin, and we want you to attend any or all services of this church.

H. A. Dixon, Minister.  
Res. Address, 204 Church St.  
Phone 6242.

### Primitive Baptist Church

The Primitive Baptist Church extends greetings to students and faculty of The University of Tennessee Junior College on the opening of its eleventh year in our midst. For thirty-seven years our church has been serving the people of this territory and although we are older than you in years, we want you to know that we sympathize with you in your problems and will welcome the opportunity to advise and counsel with you as well as welcome you to our services, which are held on each third Saturday in the month at 2 o'clock and Sunday following at 11 o'clock.

Do not forget that all the blessings of education and culture which you enjoy are directly traceable to the church, because the church has always stood for educated and enlightened minds as well as clean and consecrated life. Worship with us as often as you can while in Martin. The church is located at the corner of White and McCombs.

A. B. Ross, Pastor.

### First M. E. Church

WELCOME! Yet, it is a familiar

word and it means something that will not have to be said when you repeat that has meant so much to you, left for the first time that sacred spot that has meant so much to you, and those dearest to your heart. Therefore, to every student and teacher of U. T. Junior College, the Pastor and members of the First Methodist Church say to you out of our hearts, WELCOME to Martin and to all our church services.

Morning Worship, 11:00 a.m.

### Maestro Woody Ryan Is President of ASC

Haggard Cherry Is Vice-President;  
Frances Hansbrough Is  
Secretary-Treasurer

The directing force behind student activities as a whole student body is the Council of the All-Students Club, which is the organization of the whole student body for general activities. Officers of the club are elected at the closing of school every year for the following year.

The officers of the club for this year, as elected last May, are Woody Ryan, president; Haggard Cherry, vice-president, and Frances Hansbrough, secretary-treasurer.

Woody Ryan, liberal arts student, is the first Martin resident ever to be elected to the presidency of the All-Students Club. Haggard Cherry, from Henderson, is an outstanding football player. Frances Hansbrough, from Greenfield, is a member of the Home Economics department.

The All-Students Council is composed of the officers of the club, the presidents of the campus clubs, and editors of the two publications. The Council directs all activities of the club, such as the Christmas dance and the All-Students frolic in May.

### STUDENT CHRISTIAN ASS'N CALLS FOR NEW MEMBERS

The officers of the Student Christian Association, along with its former members and their sponsors, Mr. C. C. Cravens and Miss Florence Elliott, are very happy to welcome all of the new students, as well as the old ones, back to the campus, and they take great pleasure in extending to everyone a very special invitation to join the club.
